

Nevada Sunrise Announces Second Amendment to Option Agreement for Coronado VMS Property in Nevada

News Release

TSX Venture Exchange: NEV

January 12, 2024, Vancouver, British Columbia - Nevada Sunrise Metals Corporation ("**Nevada Sunrise**" or the "Company") (**TSXV: NEV, OTC: NVSGF**) announced today that it has negotiated an amendment to the terms of an option agreement (the "Agreement") whereby the Company has the right to purchase a 100% interest in the Coronado VMS property ("**Coronado**", or the "**Property**"), located in the Tobin Sonoma Range of Pershing County, Nevada, approximately 30 miles (48 kilometres) southeast of Winnemucca. A definitive Agreement was announced on September 28, 2018, and a first amendment to the Agreement was announced on January 31, 2022.

Details of the Coronado Amended Option Agreement Terms

Nevada Sunrise retains the right to acquire a 100% interest in Coronado, subject to a 2.0% net smelter returns royalty, with certain buydown provisions, in consideration for the amended cash and share payments to the vendors and minimum exploration expenditures as described below (all dollar amounts listed are in US dollars):

Coronado VMS Project –Amendments to Schedule of Payments and Expenditures

FORWARD LOOKING STATEMENTS

This release may contain forward-looking statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur and include disclosure of anticipated exploration activities. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date such statements were made. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.

Such factors include, among others, risks related to future plans for exploration at Coronado; reliance on technical information provided by third parties on any of our exploration properties; changes in mineral project parameters as plans continue to be refined; current economic conditions; future prices of commodities; possible variations in grade or metallurgical recovery rates; failure of equipment or processes to operate as anticipated; the failure of contracted parties to perform; labor disputes and other risks of the mining industry; delays due to pandemic; delays in obtaining governmental approvals, financing or in the completion of exploration, as well as those factors discussed in the section entitled "Risk Factors" in the Company's Management Discussion and Analysis for the Nine Months ending June 30, 2023, which is available under Company's SEDAR profile at www.sedar.com.

Although Nevada Sunrise has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Nevada Sunrise disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise. Accordingly, readers should not place undue reliance on forward-looking information.
