NEVADA SUNRISE NAMED TO 2015 TSX VENTURE 50

FEBRUARY 12, 2015, Vancouver, British Columbia - Nevada Sunrise Gold Corporation ("Nevada Sunrise" or the "Company") (TSXV: NEV) is pleased to announce that the TSX Venture Exchange ("TSXV") has named the Company to the 2015 TSX Venture 50, a ranking of strong performing companies spanning Clean Technology, Diversified Industries, Mining, Oil & Gas and Technology & Life Sciences.

The TSXV states that the companies chosen for the award have shown impressive results in key measures of market performance. The ranking is comprised of the top 10 companies from each of the five industry sectors, and they were selected based on four equally weighted criteria: market capitalization growth, share price appreciation, trading volume and analyst coverage.

The shares of these companies also enjoy a liquid market, with a total of 3.3 billion shares trading over the course of 2014. The TSXV considers the TSX Venture 50 companies as important contributors to Canada's economy and entrepreneurial success.

"We are honoured to be recognized in this manner by the TSXV," said Warren Stanyer, President and CEO of Nevada Sunrise. "Receiving the TSX Venture 50 award is a credit to the effectiveness of our people, the loyalty of our shareholders, and the quality of our exploration projects."
